Dear Sir/ Madam

RE: APPRECIATION FOR 50 LITRE FUEL DONATION

I hope I found you well.

On behalf of the learners, staff, School Development Committee and the Community of Lonely Mine Primary School, we sincerely thank you for your generous donation of 50 litre fuel towards ferrying our learners to the sporting activities. Because of your support our Handball team, volleyball team and netball team won and we are able to attend the next level District Competitions that shall be held on 7th to 9th of July at Inyethi (Loziba Primary School).

Your support has given our learners chance to play, represent our school with pride and learn team work. We really appreciate your kindness and we share photos of our teams.

May God bless you.

Yours in Service

Gumbo S
